

**YOUR PARTNER IN HIGH-QUALITY
BUILDING MATERIALS**

**MIKI FOREST
PRODUCTS COMPANY**

MISSION, VALUES, AND COMMITMENT TO EXCELLENCE

MISSION

To provide quality manufactured products and reliable workmanship at a fair price, supported by excellent service and professional integrity.

VALUES

Guided by principles of sustainability, quality, and customer-centricity, we strive to meet the evolving needs of our clients by continually expanding and modernizing our product offerings.

QUALITY

At Miki Forest Products, our dedication to manufacturing excellence is unwavering. Each product undergoes rigorous hand inspections, ensuring we hold to the highest standards of craftsmanship. We stand by the quality of every item, offering a No Stress Guarantee—if something doesn't meet your expectations, we'll make it right. Your satisfaction and trust in our products are our top priorities.

WELCOME TO MIKI FOREST PRODUCT COMPANY

Welcome to the Miki Forest Products Company catalog, your complete guide to our premium building materials and how we can support your business needs.

OUR JOURNEY

Founded in 2019, Miki Forest Products Company was built on a vision to integrate sustainable global materials into high-quality building products. While we initially specialized in Japanese Cedar fence products, our focus quickly expanded to encompass a wide range of building materials, leveraging our growing manufacturing capabilities to deliver greater value to our customers.

KEY MILESTONES

GROWTH AND EXPANSION

From our base in Santa Rosa, CA, we have grown into an international manufacturer, directly controlling our supply chain from sustainable sources.

CORE VALUES

INGTEGRITY

Uphold the highest standards in all our actions.

INNOVATION

Continuously improve and innovate

**CUSTOMER
FOCUS**

Prioritize customer needs and exceed expectations.

VISION FOR THE FUTURE

Embracing future technologies and strengthening supply chain reliability, while continuously expanding product lines and manufacturing facilities to meet evolving market needs.

OUR PRODUCTS

High-quality, durable, and available in various profiles and sizes.

Bulk Ordering Made Easy

We specialize in fulfilling bulk orders with efficiency. As the manufacturer, we have the flexibility to prioritize orders, ensuring timely production and delivery to meet client deadlines, no matter the scale.

After-Sales Support

Our commitment doesn't end with delivery—our dedicated after-sale support ensures you receive ongoing assistance and satisfaction with every order.

Technical Support and Services

Our Technical Support and Services team is here to provide comprehensive assistance, including detailed product specifications, MSDS sheets, and expert guidance to ensure you have everything you need for safe and efficient use of our products.

Shipping and Delivery

Shipping from our manufacturing facilities to your door through an extensive network of ocean, rail and trailer services, ensuring timely and reliable delivery every time.

Supply Chain Capabilities

With vertically integrated manufacturing and direct control over materials, we ensure supply chain stability, providing consistent quality and reliability from production to delivery.

Sustainable Sourcing

We are committed to sustainability, responsibly sourcing materials from sustainable forests.

Eco-Friendly Practices

Through eco-conscious innovation, we prioritize sustainable manufacturing practices with processes that minimize waste and reduce our carbon footprint.

We manufacture and stock top-selling models for quick availability, while also offering the flexibility to produce any of our products to order. With the capacity to create custom profiles to meet client specifications, we ensure tailored solutions for every project.
